

MEMORANDUM FOR: THE DIR FOR

I understand Mr. Wisner discussed with you the thought that Mr. Sipes would be satisfied by a statement of our position on General Smith's testimony in the Davies case. I have read his testimony and believe the attached statement is acceptable from our point of view. Mr. Wisner concurred in it as did the Director of Security. [ ] has been informed of the substance and finds it satisfactory as a complete statement of this Agency's position. Presumably, the Board will not call on us of its own initiative.  
Recommend dispatch.
